TEAM ACCOUNTABILITY PROJECT (TAP)

GTD® Accountability Partnership Program

Mission: To create an accountability partner system to help Getting Things Done (GTD) users collaborate and support each other with their GTD habit development, their productivity systems implementation and their responsibility to personal and/or professional commitments.

GOALS | CHALLENGES | SUCCESSES | LESSONS LEARNED

You can use this Goals | Challenges | Successes | Lessons Learned ($GCSL^2$) form to manage your Team Accountability Project (TAP) activity. Please feel free to use your own format or collection tool to track your goals, challenges, successes and lessons learned from your participation in TAP. Thank you for being a part of TAP!
